HELP IS JUST A PHONE CALL AWAY.

Find care 24/7 when your primary care provider (PCP) isn’t available.

MDLIVE® gives you access to a board-certified doctor anytime you need care for a non-emergency medical issue.

Save time and out-of-pocket costs when you take advantage of a virtual doctor office visit over the phone, by video or through a mobile app. They give you the non-emergency care you need privately and conveniently without having to make a trip to the doctor’s office or clinic. Get convenient care for minor illnesses like a cold, sinus infections, allergies and other non-emergency medical conditions – without having to leave your couch.
